In no case shall an Eligible Claimant receive a total distribution that is greater than their Notional Entitlement. In the event that the balance remaining in the Escrow Account is not sufficient to warrant a further distribution, the balance shall be distributed *cy pres* to a recipient approved by the Court.

Purpose of this Notice

The purpose of this Notice is to advise Class Members of the approval of the Settlement of a class action brought on behalf of Class Members. The notice provides Class Members with information about how to apply for compensation from the Settlement.

Court Approval of the Settlement

In 2008, a class action was commenced in the Ontario Superior Court of Justice (the “Court”) against CIBC and certain of its officers (the “Individual Defendants”, the “Action”).

The Action alleged that, during the Class Period, CIBC misrepresented or failed to disclose in certain public oral statements and filings with securities regulators, material information relating to CIBC’s investments in and exposure to United States residential mortgage-backed securities (“US RMBS”). The Action alleged that these public oral statements and filings with securities regulators by CIBC during the Class Period contained statements that were false or materially

misleading. It was alleged that CIBC's own common shares therefore traded at artificially inflated prices during the Class Period, resulting in damage to Class Members when information relating to those alleged misrepresentations was publicly disclosed. CIBC and the Individual Defendants denied all allegations.

By order dated February 3, 2014, the Court of Appeal for Ontario granted the Plaintiffs leave to proceed with the Action under Part XXIII.1 of the Ontario *Securities Act* and certified the Action as a class proceeding on behalf of the Class Members.

By order of the Ontario Superior Court of Justice dated September 13, 2016, Class Members were afforded the right to exclude themselves or "opt out" of the Class by no later than January 3, 2017. **Persons who validly exercised the right to opt out are not Class Members, are not affected by this notice and may not participate in the Settlement.**

The Action has been vigorously litigated over the last +13 years including multiple appearances before the Ontario Superior Court of Justice, the Court of Appeal for Ontario and the Supreme Court of Canada, dealing with numerous contested motions and appeals. The parties have produced hundreds of thousands of pages of documentary discovery, and there has been more than 47 days of oral discovery and cross-examinations, and hundreds of pages of written follow-up discovery questions and answers. On ●, the Plaintiffs and CIBC executed a Settlement Agreement providing for the settlement the Action (the "Settlement"), which is subject to approval by the Court. The Settlement Agreement provides for the payment of CAD\$125,000,000.00 (the "Settlement Amount") in consideration of the full and final settlement of the claims of Class Members. The Settlement Amount includes all legal fees, disbursements, taxes, administration expenses, and the levy payable to the Class Proceedings Fund of the Ontario Law Foundation.

In exchange for the payment of the Settlement Amount, the Settlement provides that the claims of all Class Members alleged or which could have been alleged in the Actions will be fully and finally released and the Actions will be dismissed. The Settlement is not an admission of liability, wrongdoing or fault on the part of the Defendants, all of whom have denied, and continue to deny, the allegations against them.

On ●, 2021 the Ontario Superior Court of Justice approved the Settlement and ordered that it be implemented in accordance with its terms.

The Court also awarded Rochon Genova LLP ("**Class Counsel**") total legal fees, expenses and applicable taxes in the amount of \$● ("**Class Counsel Fees**") inclusive of disbursements of \$●, plus HST.

Class Counsel conducted the class action entirely on a contingent fee basis. Class Counsel Fees will be deducted from the Settlement Amount before it is distributed to Class Members.

Funding of major expenses (such as expert fees but not Class Counsel Fees) and any adverse costs awards was provided by the Class Proceedings Fund of the Law Foundation of Ontario. Pursuant to section 10 of Ontario Regulation 771/92 of the *Law Society Act*, the Class Proceedings Fund is entitled to payment of a levy from the Settlement Amount which is equal to the sum of the financial support that it provided throughout the Class Action and 10% of the Settlement Amount (less Class Counsel Fees, Settlement Administration Expenses and the

amount returned to the Class Proceedings Fund for its ongoing adverse costs and disbursement funding). The Class Proceedings Fund levy is expected to be approximately \$●, and will be deducted from the Settlement Amount before there is a distribution to Class Members. It is not possible to definitively state what the Class Proceedings Fund Levy will be at this time because the final amount is dependent on variables not known at this time.

Expenses incurred or payable relating to approval, notification, implementation and administration of the Settlement (“**Administration Expenses**”) will also be paid from the Settlement Amount before it is distributed to Class Members

Class Members’ Entitlement to Compensation

Pursuant to the Court order approving the Settlement, the claims of Class Members which were or could have been alleged in the Action are now released and the Action has now been dismissed. Class Members may not pursue individual or class actions for those claims, regardless of whether or not they file a claim for compensation from the Settlement. **The Settlement therefore represents the only means of compensation available to Class Members in respect of the claims raised in the Actions.**

Class Members will be eligible for compensation pursuant to the Settlement if they submit a completed Claim Form, including any supporting documentation, with the Administrator, and their claim satisfies the criteria set out in the Plan of Allocation.

To be eligible for compensation under the Settlement, Class Members must submit their Claim Form **no later than** 11:59 ET on ● (the “**Claims Bar Deadline**”). Only Class Members are permitted to recover from the Settlement.

After deduction of Class Counsel Fees, the Class Proceedings Fund Levy, and Administration Expenses, the balance of the Settlement Amount (the “**Net Settlement Amount**”), will be distributed to Class Members in accordance with the Plan of Allocation.

Each Class Member who has filed a valid claim will receive a portion of the Net Settlement Amount calculated in accordance with the Plan of Allocation. In order to determine the individual entitlements of Class Members who make claims, the Plan of Allocation provides for the calculation of the notional losses of each claimant in accordance with a formula based on the statutory damages provisions contained in the Ontario *Securities Act*. Once the notional allocations of all Class Members who have filed valid claims have been calculated, the Net Settlement Amount will be allocated to those Class Members in proportion to their percentage of the total notional allocations calculated for all valid claims filed. Because the Net Settlement Amount will be distributed *pro rata*, it is not possible to estimate the individual recovery of any individual Class Member until all the claims have been received and reviewed.

In the event any amounts remain undistributed 180 days after the distribution of the Net Settlement Amount (because of uncashed cheques or for other administrative reasons), those amounts will be distributed to eligible Class Members (if sufficient to warrant a further distribution) or allocated in a manner approved by the Court.

Administraton

The Court has appointed • as the Administrator of the Settlement. The Administrator will, among other things: (i) receive and process the Claim Forms; (ii) determine Class Members' eligibility for and entitlement to compensation pursuant to the Plan of Allocation; (iii) communicate with Class Members regarding claims for compensation; and (iv) manage and distribute the Settlement Amount in accordance with the Settlement Agreement and the order of the Court. The Administrator can be contacted at:

SCHEDULE D: DISTRIBUTION PROTOCOL

DISTRIBUTION PROTOCOL

This Distribution Protocol should be read in conjunction with the Settlement Agreement **dated •** ("Settlement Agreement").

DEFINED TERMS

1. The terms "**Administration Expenses**", "**Administrator**", "**Claim Form**", "**Claims Bar Deadline**", "**Class Counsel Fees**", "**Class Members**", "**Class Period**", "**Distribution Protocol**", "**Eligible Securities**", "**Net Settlement Amount**", "**Settlement Amount**", and "**CIBC**", as used herein, are defined in the Settlement Agreement, which definitions apply to and are incorporated herein. In addition, the following definitions apply to this Distribution Protocol:

- (a) "**Acquisition Expense**" means,
 - (i) the price per share paid to acquire Eligible Securities plus brokerage commissions actually paid; or
 - (ii) where Eligible Securities are acquired by Class Members as a payment in kind (including, but not limited to, pursuant to CIBC's Shareholder Investment Plan), the price per share of those Eligible Securities at the close of market when such Eligible Securities were acquired by the Class Member;
- (b) "**Authorized Claimant**" means a Claimant who has a Notional Entitlement greater than zero in respect of transactions of Eligible Securities;

- (c) "**Claimant**" means a Class Member who submits a properly completed Claim Form and all required supporting documentation to the Administrator, on or before the Claims Bar Deadline;
- (d) "**Corrective Dates**" means each date on which a corrective disclosure was made:
- (i) November 12, 2007;
 - (ii) November 14, 2007;
 - (iii) November 15, 2007;
 - (iv) November 20, 2007;
 - (v) December 6, 2007;
 - (vi) December 7, 2007;
- (e) "**Disposition Proceeds**" means the price per share actually received by a Claimant on the disposition of Eligible Securities, without deducting any commissions paid in respect of the dispositions;
- (f) "**FIFO**" means "first in, first out" inventory matching methodology, whereby for the purpose of determining Claimants' Notional Entitlement, securities are deemed to be sold in the same order that they were purchased (e.g. the first securities of CIBC purchased by a Class Member are deemed to be the first securities of CIBC sold); and which requires, in the case of a Claimant who acquired CIBC securities before the Class Period and held those securities at the commencement of the Class Period, that those securities be deemed to have been sold completely before Eligible Securities are sold or deemed sold;
- (g) "**Notional Entitlement**" means an Authorized Claimant's damages as calculated pursuant to the formulae set forth herein, and which forms the basis upon which each Authorized Claimant's *pro rata* share of the Net Settlement Amount is determined.

- (h) “**10 Day VWAP**” means the 10-day Volume Weighted Average Price starting after the December 7, 2007 correction, which is calculated to be \$75.53 pursuant to the Part XXIII.1 of the Ontario *Securities Act*.

OBJECTIVE

2. The objective of this Distribution Protocol is to equitably distribute the Net Settlement Amount among Authorized Claimants in a manner analogous to the damages provisions of Part XXIII.1 of the Ontario *Securities Act*.

PROCESSING CLAIM FORMS

3. The Administrator shall review each Claim Form and verify that the Claimant is eligible for compensation from the Net Settlement Amount, as follows:
- (a) For a Claimant claiming as a Class Member, the Administrator shall be satisfied that the Claimant is a Class Member;
 - (b) For a Claimant claiming on behalf of a Class Member or a Class Member's estate, the Administrator shall be satisfied that:
 - (i) the Claimant has authority to act on behalf of the Class Member or the Class Member's estate in respect of financial affairs;
 - (ii) the person or estate on whose behalf the claim was submitted was a Class Member; and
 - (iii) the Claimant has provided all supporting documentation required by the Claim Form or alternative documentation acceptable to the Administrator.
4. The Administrator shall ensure that only claims for compensation in respect of Eligible Securities in the Claim Form are approved.

CALCULATION OF NOTIONAL ENTITLEMENT

5. The Net Settlement Amount will be distributed in accordance with this Distribution Protocol.
6. The Administrator will apply FIFO to identify the sale of CIBC securities held prior to the beginning of the Class Period. The Administrator will then apply FIFO to the sale of CIBC securities purchased during the Class Period and sold prior to November 9, 2007 (inclusive). These matched transactions are not Eligible Securities.
7. The Administrator will then continue to apply FIFO to determine the purchase transactions which correspond to the sale of Eligible Securities, *i.e.* those purchases that were subsequently held over a Corrective Event.
8. The date of a purchase, sale or deemed disposition shall be the trade date, as opposed to the settlement date of the transaction or the payment date.
9. The Administrator shall account for any splits or consolidations that occurred during and may occur after the Class Period, such that Claimants' holdings for the purposes of the calculations are completed in units equivalent to those traded during the Class Period.
10. The Administrator will use the data, derived from applying FIFO, in the calculation of an Authorized Claimant's Notional Entitlement according to the formulae below.
11. Based on the formulae stated below, the Notional Entitlement will be calculated for each purchase of CIBC common stock during the Class Period that is listed on the Claim Form and for which adequate documentation is provided. If a Notional Entitlement Amount is determined to be a negative number or zero under the formulae below, the Notional Entitlement Amount for that transaction will be deemed to be zero.

12. For each share of publicly traded CIBC common stock purchased or otherwise acquired during the period from May 31, 2007, through December 6, 2007, inclusive, and
- (a) sold before the close of trading on November 9, 2007, the Notional Entitlement Amount is zero;
 - (b) sold from November 12, 2007 through the close of trading on December 7, 2007, the Notional Entitlement Amount is the lesser of: (i) the purchase price minus the sale price; and (ii) the artificial inflation per share on the date of purchase/acquisition minus the artificial inflation per share on the date of sale, as stated in Table A;
 - (c) sold from December 7, 2007 through the close of trading on December 20, 2007, the Notional Entitlement Amount is the lesser of: (i) the purchase price minus the sale price; and (ii) the artificial inflation per share on the date of purchase/acquisition, as stated in Table A;
 - (d) sold after December 21, 2007, the Notional Entitlement Amount is the least of: (i) the purchase price minus the sale price; and (ii) the purchase price minus the 10-Day VWAP of \$75.53; and (iii) the artificial inflation per share on the date of purchase/acquisition, as stated in Table A;

14. In calculating an Authorized Claimant's Notional Entitlement, transactions in Eligible Shares in any foreign currency shall be converted to Canadian currency, based on the Bank of Canada noon exchange rate between the Canadian dollar and the foreign currency on

the date on which the Administrator calculates the Notional Entitlements of Authorized Claimants. All Notional Entitlements shall be recorded in Canadian currency.

COMPLETION OF CLAIM FORM

15. If, for any reason, a Claimant is unable to complete the Claim Form then it may be completed by the Claimant's personal representative or a member of the Claimant's family duly authorized by the Claimant to the satisfaction of the Administrator.

IRREGULAR CLAIMS

16. The claims process is intended to be expeditious, cost effective and "user friendly" to minimize the burden on Claimants. The Administrator shall, in the absence of reasonable grounds to the contrary, assume Claimants to be acting honestly and in good faith.
17. Where a Claim Form contains minor omissions or errors, the Administrator shall correct such omissions or errors if the information necessary to correct the error or omission is readily available to the Administrator.
18. The claims process is also intended to prevent fraud and abuse. If, after reviewing any Claim Form, the Administrator believes that the claim contains unintentional errors which would materially exaggerate the Notional Entitlement awarded to the Claimant, then the Administrator may disallow the claim in its entirety or make such adjustments so that an appropriate Notional Entitlement is awarded to the Claimant. If the Administrator believes that the claim is fraudulent or contains intentional errors which would materially exaggerate the Notional Entitlement to be awarded to the Claimant, then the Administrator shall disallow the claim in its entirety.
19. Where the Administrator disallows a claim in its entirety, the Administrator shall send to

the Claimant, at the email or postal address provided by the Claimant or the Claimant's last known email or postal address, a notice advising that the claim has been disallowed and that the Claimant may request the Administrator to reconsider its decision. For greater certainty, a Claimant is not entitled to a notice or a review where a claim is allowed but the Claimant disputes the determination of Notional Entitlement or his, her or its individual compensation.

20. Any request for reconsideration must be received by the Administrator within 45 days of the date of the notice advising of the disallowance. If no request is received within this time period, the Claimant shall be deemed to have accepted the Administrator's determination and the determination shall be final and not subject to further review by any court or other tribunal.
21. Where a Claimant files a request for reconsideration with the Administrator, the Administrator shall advise Class Counsel of the request and conduct an administrative review of the Claimant's complaint.
22. Following its determination in an administrative review, the Administrator shall advise the Claimant of its determination. In the event the Administrator reverses a disallowance, the Administrator shall send the Claimant, at the email or postal address provided by the Claimant or the Claimant's last known email or postal address, a notice specifying the revision to the Administrator's disallowance.
23. The determination of the Administrator in an administrative review is final and is not subject to further review by any court or other tribunal.
24. Any matter not referred to above shall be determined by analogy by the Administrator in consultation with Class Counsel.

ADDITIONAL RULES

25. The Administrator shall not make payments to Authorized Claimants whose *pro rata* entitlement under this Plan of Allocation is less than CAD\$10.00. Such amounts shall instead be allocated *pro rata* to other Authorized Claimants in accordance with the "Final Distribution" section of this Plan of Allocation.
26. Eligible Shares transferred between accounts belonging to the same Claimant(s) during the Class Period shall not be deemed to be Eligible Securities for the purpose of calculating Notional Entitlement unless those securities were initially purchased by the Claimant(s) during the Class Period. The Acquisition Expense shall be calculated based on the price initially paid for the Eligible Securities.
27. The Administrator shall make payment to an Authorized Claimant by either bank transfer or by cheque at the address provided by the Authorized Claimant or the last known postal address for the Authorized Claimant. If, for any reason, an Authorized Claimant does not cash a cheque within six months after the date on which the cheque was sent to the Authorized Claimant, the Authorized Claimant shall forfeit the right to compensation and the funds shall be distributed in accordance with the "Final Distribution" section of this Plan of Allocation.

FINAL DISTRIBUTION

28. Each Authorized Claimant's actual compensation shall be the portion of the Net Settlement Amount equivalent to the ratio of his, her or its Notional Entitlement to the total Notional Entitlements of all Authorized Claimants multiplied by the Net Settlement Amount, as calculated by the Administrator.

29. Compensation shall be paid to Authorized Claimants in Canadian currency.
30. If, one hundred eighty (180) days from the date on which the Administrator distributes the Net Settlement Amount to Authorized Claimants, the Escrow Account remains in a positive balance (whether due to tax refunds, uncashed cheques, or otherwise), the Administrator shall, if feasible, reallocate such balance among the Authorized Claimants in an equitable and economic fashion, up to each Authorized Claimant's Notional Entitlement, in aggregate. In no case shall an Authorized Claimant receive a total distribution that is greater than their Notional Entitlement. In the event any such remaining balance is less than may practically be distributed to Authorized Claimants in the opinion of Class Counsel and the Administrator, such balance shall be allocated *cy pres* to one or more recipients to be approved by the Court.
31. By agreement between the Administrator and Class Counsel, any deadline contained in this Distribution Protocol may be extended. Class Counsel and the Administrator shall agree to extend a deadline(s) if, in their opinions, doing so will not adversely affect the efficient administration of the Settlement and it is in the best interests of the Class to do so.

SCHEDULE “E”: Notice of Settlement Approval Hearing (Long Form)

CANADIAN IMPERIAL BANK OF COMMERCE (“CIBC”) SECURITIES CLASS ACTION NOTICE OF SETTLEMENT APPROVAL HEARING

Read this notice carefully as it may affect your legal rights

This notice is directed to: All persons, wherever they may reside or be domiciled (except residents of the United States of America) who purchased common shares* of CIBC on the Toronto Stock Exchange during the period from and including May 31, 2007 to and including February 28, 2008 (the “Class Period”) and still held any of those acquired CIBC common shares at the close of trading on the Toronto Stock Exchange on any or all of November 9, 2007, November 13, 2007, November 14, 2007, November 19, 2007, December 5, 2007 and, or December 6, 2007 (“Public Disclosure Dates”), other than certain **Excluded Persons*** and those who validly opted out pursuant to the notice of certification issued on ●, 2014 (“Class Members”).

***Purchased common shares** includes CIBC common shares purchased through the CIBC dividend re-investment plan

***Excluded Persons** include CIBC and its past and present subsidiaries, affiliates, officers, directors, legal representatives, heirs, predecessors, successors and assigns, and any spouse or child of the Individual Defendants, and any person who validly opted out of the Class.

Purpose of this Notice

A class action which was brought on behalf of Class Members has settled, subject to Court Approval. This Notice provides Class Members with information about the Settlement and their rights to participate in the court proceeding considering whether to approve it.

The Action

In 2008, a class action was commenced in the Ontario Superior Court of Justice (the “Court”) against CIBC and certain of its officers (the “Individual Defendants”, the “Action”).

The Action alleged that, during the Class Period, CIBC misrepresented or failed to disclose in certain quarterly financial statements and MD&A, public oral statements and filings with securities regulators, material information relating to CIBC’s investments in and exposure to United States residential mortgage-backed securities (“US RMBS”). The Action alleged that these public oral statements and filings with securities regulators by CIBC during the Class Period contained statements that were false or materially misleading. It was alleged that CIBC’s own common shares therefore traded at artificially inflated prices during the Class Period, resulting in damage to Class Members when information relating to those alleged misrepresentations was publicly disclosed. CIBC and the Individual Defendants denied all allegations.

By order dated February 3, 2014, the Court of Appeal for Ontario granted the Plaintiffs leave to proceed with the Action under Part XXIII.1 of the Ontario *Securities Act* and certified the Action as a class proceeding on behalf of the Class Members.

By order of the Ontario Superior Court of Justice dated September 13, 2016, Class Members were afforded the right to exclude themselves or “opt out” of the Class by no later than January 3, 2017. **Persons who validly exercised the right to opt out are not Class Members, are not affected by this notice and may not participate in the Settlement.**

Since then, the Action has been vigorously litigated. On ●, the Plaintiffs and CIBC executed a Settlement Agreement providing for the settlement the Action (the “Settlement”), which is subject to approval by the Court. The Settlement Agreement provides for the payment of CAD\$125,000,000.00 (the “Settlement Amount”) in consideration of the full and final settlement of the claims of Class Members. The Settlement Amount includes all legal fees, disbursements, taxes, administration expenses, and the levy payable to the Class Proceedings Fund of the Ontario Law Foundation.

The Settlement provides that if it is approved by the Court, the claims of all Class Members asserted or which could have been asserted in the Action will be fully and finally released and the Action will be dismissed. The Settlement is not an admission of liability, wrongdoing or fault on the part of the Defendants, all of whom have denied, and continue to deny, the allegations against them.

Settlement Approval Hearing:

The Settlement is conditional on approval by the Court. The Settlement will be approved if the Court determines that it is fair and reasonable and in the best interests of Class Members to approve it.

The Court will hear a motion for approval of the Settlement on ●, 2022 at ● a.m. at the Ontario Superior Court of Justice Courthouse, ●, Toronto, ON, M5G 1E6. Depending on COVID-19 protocols in place on the hearing date, the Settlement approval hearing will be held in-person and/or remotely via ZOOM. For those wishing to attend the hearing via ZOOM, the Court will publish a ZOOM link on the day before the scheduled hearing date at the following website: ●

Release of Claims and Effect on Other Proceedings

If the Settlement Agreement is approved by the Court, the claims of Class Members which were asserted or which could have been asserted in the Action will be released and the Action will be dismissed. Class Members will not be able to pursue individual or class actions in relation to the matters alleged in the Action regardless of whether or not they file a claim for compensation from the Settlement. **If approved, the Settlement will therefore represent the only means of compensation available to Class Members in respect of the claims asserted in the Action.**

Distribution Protocol

If the Settlement Agreement is approved by the Court, the Settlement Amount, after deduction of Class Counsel Fees and expenses, payments owed to the Ontario Class Proceedings Fund and Administration Expenses (the “Net Settlement Amount”) will be distributed to Class Members in accordance with the Distribution Protocol, subject to the Court’s approval.

The Settlement provides that to qualify for compensation, Class Members will be required to submit a properly completed Claim Form to the Administrator within the time prescribed by the Court. Each Class Member who submits a valid and timely Claim Form will be entitled to receive compensation calculated in accordance with the Distribution Protocol. If the Settlement is approved by the Court, a further notice will be published which will include instructions on how Class Members can file their Claim Forms and the deadline for doing so. This information will be readily available at the following website ●

The proposed Distribution Protocol provides that in order to determine the individual entitlements of Class Members who make claims, the losses of each claimant will be calculated in accordance with a formula based on the statutory damages provisions contained in the Ontario *Securities Act*. Once the notional losses of all Class Members who have filed valid claims have been calculated, the Net Settlement Amount will be allocated to those Class Members in proportion to their percentage of the total notional losses calculated for all valid claims filed. Because the Net Settlement Amount will be distributed *pro rata*, it is not possible to estimate the individual recovery of any individual Class Member until all the claims have been received and reviewed.

In the event any amounts remain undistributed 180 days after the distribution of the Net Settlement Amount (because of uncashed cheques or for other administrative reasons), those amounts will be distributed to eligible Class Members (if sufficient to warrant a further distribution) or allocated in a manner approved by the Court.

The approval of the Settlement is not contingent on the approval of the Distribution Protocol. The Court may still approve the Settlement even if it does not approve the Distribution Protocol.

Approval of Class Counsel Fees and Expenses:

In addition to seeking the Court’s approval of the Settlement Agreement, Class Counsel will seek the Court’s approval of legal fees not to exceed 30 ●% of the Settlement Fund (“Class Counsel Fees”), plus disbursements not exceeding \$● and applicable taxes. This fee request is in accordance with the retainer agreements entered into between Class Counsel and the Representative Plaintiffs at the beginning of the litigation. Class Counsel conducted this Class Action on a contingent fee basis

Class Counsel was not paid as the matter proceeded and will remain unpaid until Class Counsel Fees are approved by the Court.

Funding of certain major expenses (including, some, but not all, expert fees but not Class Counsel Fees) and any adverse costs awards was provided by the Class Proceedings Fund of the Law Foundation of Ontario. Pursuant to section 10 of Ontario Regulation 771/92 of the *Law Society Act*, the Class Proceedings Fund is entitled to payment of a levy from the Settlement Amount which is equal to the sum of the financial support that it provided to the Class Action plus 10% of the Settlement Amount (less counsel fees, administration expenses and the disbursement funding which is returned to the Class Proceedings Fund). If the Settlement Agreement is approved, this amount will be approximately \$●. This amount cannot be more precisely calculated at this time because of undetermined variables such as Administration Expenses and Class Counsel Fees).

The approval of the Settlement is not contingent on the approval of the Class Counsel Fees requested. The Settlement may still be approved even if the requested Class Counsel Fees are not approved.

The fees of the Administrator, together with any other costs relating to approval, notification, implementation and administration of the settlement (“Administration Expenses”), will also be paid from the Settlement Fund.

Class Members’ Right to Participate in the Motions for Approval

Class Counsel has posted or will post the following material on its website (www.●.com) on or before the dates set out below:

Class Members who wish to comment on, or make an objection to, the approval of the Settlement Agreement, Distribution Protocol, or requested Class Counsel Fees may deliver a written submission to Class Counsel, at the address listed below, no later than [5 days before the Settlement approval hearing] ●, 2022. Any objections delivered by that date will be filed with the Court.

Class Members may attend at the hearings in-person or via ZOOM depending on COVID-19 protocols which may be in place on the date of the Settlement approval hearing, whether or not they deliver an objection. The Courts may permit Class Members to participate in the hearings whether or not they deliver an objection. Class Members who wish a lawyer to speak on their behalf at those hearings may retain one to do so at their own expense.
